Specific information about the website

When you contact us by e-mail or via a contact form, the data you provide (your e-mail address, your name and telephone number if applicable) will be stored by us in order to answer your questions. We delete the data arising in this connection after storage is no longer necessary or restrict processing if there are legal storage obligations.

Use of a newsletter

When registering for our future newsletter, you will provide us with your e-mail address and optionally other data. We use this information exclusively to send you the newsletter. The data you enter when registering for the newsletter will remain stored by us until you unsubscribe from our newsletter. You can unsubscribe at any time by sending us a message

to info@corporatewearergermany.de. By unsubscribing, you object to the use of your e-mail address.

Furthermore, we will use your e-mail address, which we receive in connection with the sale of goods or services, exclusively for direct advertising in the form of our newsletter for our own similar goods or services, as those ordered by you, unless you have objected to this use. You can object to the use of your e-mail address at any time without incurring any costs other than the transmission costs according to the basic rates. Your objection (and thus the cancellation of our newsletter) can be exercised by sending a corresponding message to our e-mail address (see imprint).

Cookies

Some of the Internet pages use so-called cookies. Cookies do not damage your computer and do not contain viruses. Cookies serve to make our offer more user-friendly, effective and safer. Cookies are small text files that are stored on your computer and saved by your browser.

Most of the cookies we use are so-called "session cookies". They are automatically deleted at the end of your visit. Other cookies remain stored on your end device until you delete them. These cookies enable us to recognise your browser on your next visit.

You can set your browser so that you are informed about the setting of cookies and allow cookies only in individual cases, exclude the acceptance of cookies for specific cases or in general and activate the automatic deletion of cookies when closing the browser. If you deactivate cookies, the functionality of this website may be limited.

Cookies that are required to carry out the electronic communication process or to provide certain functions that you have requested (e.g. shopping basket function) are stored based on Art. 6 para. 1 lit. f DSGVO. The website operator has a legitimate interest in the storage of cookies for the technically error-free and optimised provision of his services. Insofar as other cookies (e.g. cookies for analysing your surfing behaviour) are stored, these will be treated separately in this data protection declaration.

Server log files

The provider of the pages automatically collects and stores information in so-called server log files, which your browser automatically transmits to us. These are:

- Browser type and browser version
- Operating system used
- Referrer URL
- Host name of the accessing computer
- Time of the server request
- IP address

This data is not merged with other data sources.

These data are recorded based on Art. 6 para. 1 letter f DSGVO. The website operator has a legitimate interest in the technically error-free presentation and optimisation of his website - for this purpose the server log files must be recorded.

Contact form

If you send us enquiries via the contact form, your details from the enquiry form, including the contact data you provide there, will be stored by us for the purpose of processing the enquiry and in the event of follow-up questions. We will not pass on this data without your consent.

The processing of the data entered in the contact form is therefore exclusively based on your consent (Art. 6 para. 1 lit. a DSGVO). You can revoke this consent at any time. All you need to do is send us an informal message by e-mail. The legality of the data processing operations carried out up to the point of revocation remains unaffected by the revocation.

The data entered by you in the contact form will remain with us until you request us to delete it, revoke your consent to its storage or the purpose for which it was stored ceases to apply (e.g. after your enquiry has been processed). Mandatory legal provisions - in particular retention periods - remain unaffected.

Enquiry by e-mail, telephone or fax

If you contact us by e-mail, telephone or fax, your enquiry including all personal data (name, enquiry) will be stored and processed by us for the purpose of processing your request. We will not pass on this data without your consent.

This data is processed based on Art. 6 para. 1 lit. b DSGVO, insofar as your enquiry is related to the fulfilment of a contract or is necessary for the implementation of pre-contractual measures. In all other cases, processing is based on your consent (Art. 6 para. 1 lit. a DSGVO) and / or on our legitimate interests (Art. 6 para. 1 lit. f DSGVO), as we have a legitimate interest in the effective processing of the requests addressed to us.

The data sent to us by you via contact enquiries remains with us until you request us to delete it, revoke your consent to its storage or the purpose for which it was stored ceases to apply (e.g. after your enquiry has been processed). Mandatory statutory provisions - in particular statutory retention periods - remain unaffected.

Processing of data (customer and contract data)

We collect, process and use personal data only to the extent that they are necessary for the establishment, content or modification of the legal relationship (inventory data). This is done based on Art. 6 para. 1 letter b DSGVO, which permits the processing of data for the fulfilment of a contract or pre-contractual measures. We collect, process and use personal data on the use of our Internet pages (usage data) only to the extent necessary to enable or charge the user for the use of the service.

The collected customer data will be deleted after completion of the order or termination of the business relationship. Legal retention periods remain unaffected. (see below)

SSL encryption

This site uses SSL encryption for security reasons and to protect the transmission of confidential content, such as the requests you send to us as the site operator. You can

recognise an encrypted connection by the fact that the address line of your browser changes from "http://" to "https://" and by the lock symbol in your browser line.

If SSL encryption is enabled, the data you send to us cannot be read by third parties.
